FUND AUTHORIZATION**

Dear Mr. Wall:

We have received FHWA fund authorization, effective August 1, 2024, for this project as follows:

| PHASE | TOTAL | FEDERAL SHARE |
|-------------------------|--------------|----------------------|
| Preliminary Engineering | \$1,700,000 | \$475,000 |

As a condition of authorization, you must show continuous project progress through monthly billings, until your project is complete. Failure to show continuous progress may result in your project becoming inactive per 23 CFR 630.106(a) (5) and subject to de-obligation of all federal funds and agreement closure.

Enclosed for your information and file is a fully executed copy of Local Agency Agreement LA10972 between WSDOT and your agency. All costs exceeding those shown on this agreement are the sole responsibility of your agency. ***Any costs incurred after the Project Agreement End Date shown on the agreement are not eligible for federal reimbursement. In addition, all eligible costs incurred prior to the End Date must be billed within sixty (60) days of the End Date or they are ineligible for federal reimbursement.***

FHWA requires projects utilizing federal funds for preliminary engineering or right of way to advance to construction. If this project is unable to proceed to construction, any expended federal funds must be repaid.

WSDOT authorization to proceed with right of way and/or construction is contingent upon receipt and approval of your environmental documents.

WSDOT authorization to proceed with construction is contingent upon receipt of your Right of Way Certification.
